

## Suarez Residence: After 7,124 Sq. Ft.

“Relocation Strategies gave me a plan for organizing and updating my home for a clean, fresh look. Thoughtful space planning, new furniture selection combined with re-purposing existing and a contemporary color scheme created the “wow” factor that was previously missing. The new design aided in staging and selling my current home and I am excited to use these design concepts in my future home as well!”

Susana Duarte de Suarez, President  
Media Moon Communications
